Eternal Lullaby

Coming from eternity
We are now at home
With this sweet memory
Of the lullaby that played for us
One lullaby for two

This is our life that now begins
Away from each other
We will hear from time to time
The same lullaby
The one we heard on arrival

**Timeless
Loneliness**

Timeless loneliness
Never ending
Where are you?
When are you?
Show me the way
Because I'm lost
Timeless loneliness

Back To An Alternate Version

I remember this alternate version of our lives
A version that doesn't exist, but I remember it

The background of the entire image is a soft-focus photograph of several hands reaching out towards the center. The hands are positioned at various heights and depths, creating a sense of reaching or grasping. The lighting is bright and diffused, giving the hands a glowing, ethereal appearance. The colors are muted, with a mix of skin tones and a hint of blue/purple from the background light.

Split Soul

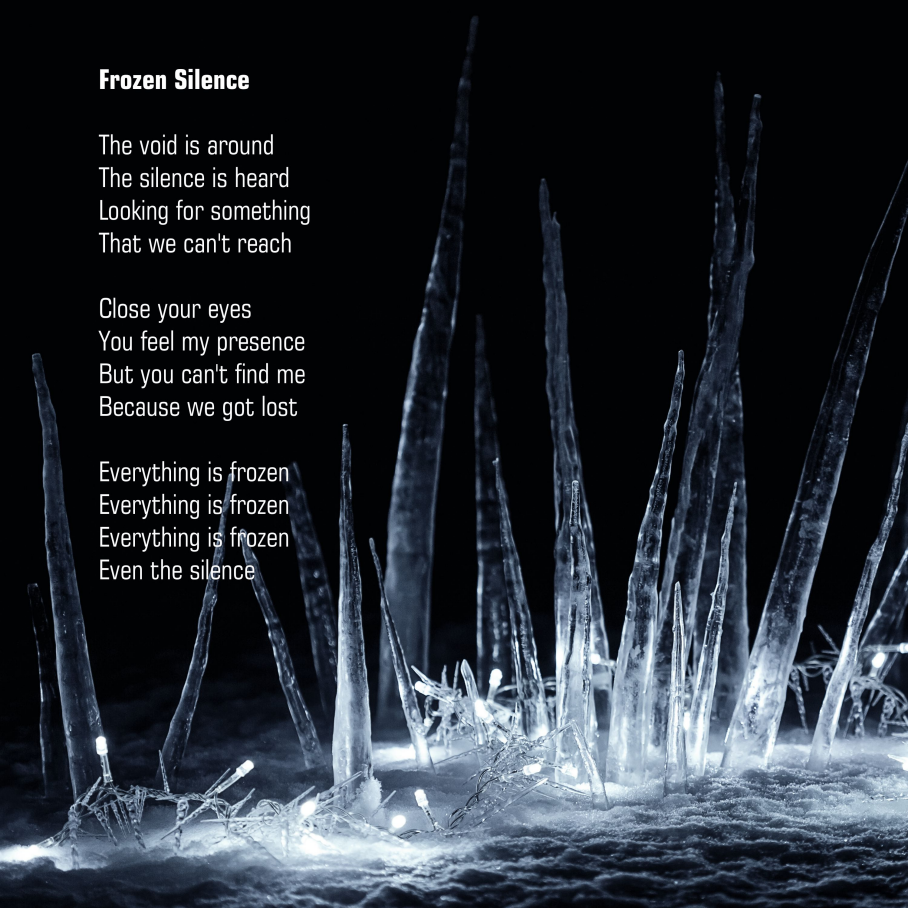

Desynchronization in time
Desynchronization in space
Split soul
Unbreakable link
The link between the two beings
Will remain eternal

Frozen Silence

The void is around
The silence is heard
Looking for something
That we can't reach

Close your eyes
You feel my presence
But you can't find me
Because we got lost

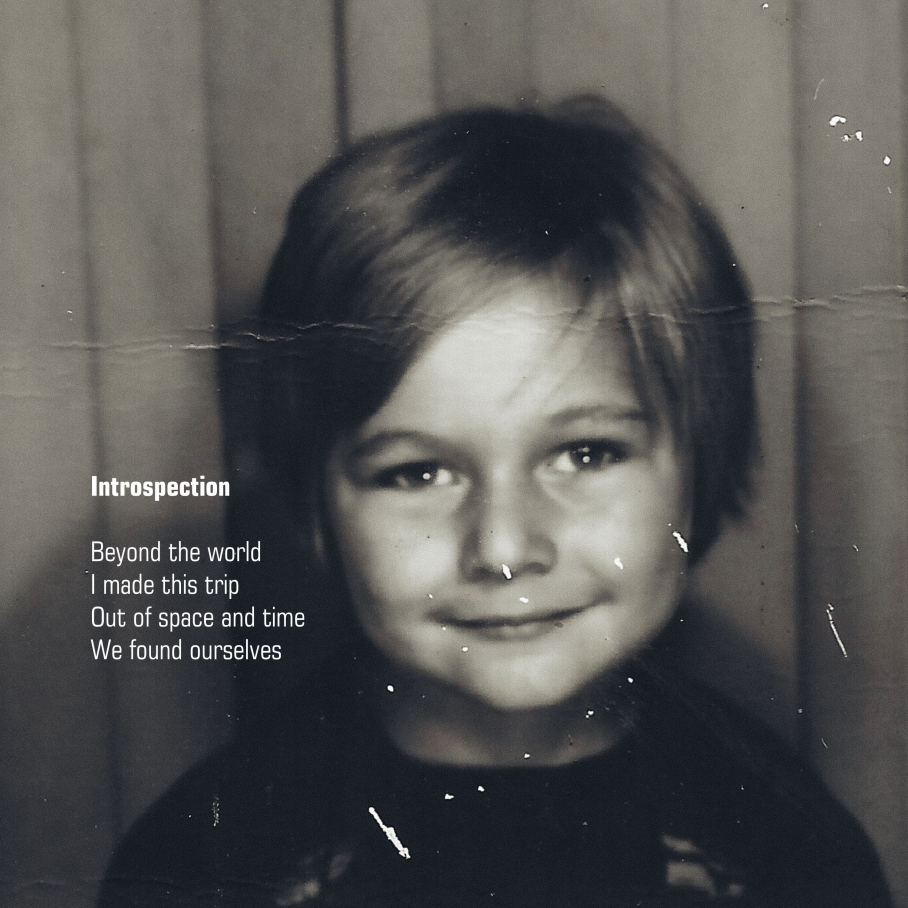

Everything is frozen
Everything is frozen
Everything is frozen
Even the silence

Time Slider

Time slider from future
Changed my past mind
I don't know when I saw you
I don't remember when I missed you
You that I don't know
You the invisible so close to me

Introspection

Beyond the world
I made this trip
Out of space and time
We found ourselves

Parallel Regenerations

Regenerated in parallel, the two parts of the soul will have to let their tears flow and cry before they find each other again

Moments Gone

Can we come back
Relive those moments gone
Embrace these dreams again
Rediscover the unknown
Put on lost innocence

A photograph of two individuals standing in shallow water, possibly a marsh or field. Both are wearing white clothing and white masks. The person on the left is wearing a white short-sleeved button-down shirt and white pants, with their hands clasped in front of them. The person on the right is wearing a long, flowing white dress with long sleeves and has their arms outstretched to the sides. The background is a soft-focus landscape with tall grasses and a hazy sky. The water in the foreground reflects the figures and the text.

Twin Soul Devotion

From birth to death
Beyond this life and this world
We will be eternally linked
Devoted to each other
To each Other
We can get lost
But we will never fade away
Fade away
I am devoted to you, you are devoted to me
To me
Forever we are only one
Only one
Forever

A circular labyrinth with a pink and blue background. The labyrinth is composed of concentric rings of paths and dead ends, rendered in a glowing pink color. The background is a soft, painterly blend of pink and blue hues. In the center of the labyrinth, there is a circular area containing text.

Labyrinth Of Time

I don't know when is the way
In the labyrinth of time
There is no entry or exit
Just an endless path
Through time

Two Angels In Heaven

Two lost angels
Looking for each other
Again and again
Again and again
For eternity
Will finally meet
In the paradise loop
